6TH RC INVITED CANDIDATES FOR INTERVIEW

VALIDATION OF THE EARLIER RELEASED INTERVIEW LIST AND RELEASE OF ZONAL INTERVIEW LIST

The Commandant, who was away in China, was misinformed about the release of the first interview list on the 18th of September, 2018. Information reaching him then was that the list released was the zonal interview list now released below, rather than the actual list of candidates based on their performance at the selection examination, according to their states of origin.

The general public should therefore disregard the earlier announcement disowning the publication and consider the result as genuine. Any embarrassment that the disclaimer may have caused candidates,

their parents and guardians is highly regretted. Candidates should check the earlier released list, either on the Academy website or the Police Service Commission website for essential items to bring along for the interview.

ZONAL LIST

Candidates from North Central, South East and South South are to report to the Academy on Sunday 11th of November while candidates from North East, North West and South West are to report on Monday the 12th for interview.
